

Abbreviation

Graham no. : Barry F. H. Graham, *Bohemian and Moravian Graduals 1420-1620*, (Turnhout: Brepols, 2006) in press.

*There is an ongoing difficulty in identifying many Bohemian and Moravian graduals, in part because some museums and archives change the signatures of their manuscripts with clockwork-like frequency. The **catalogue number** assigned by Dr. Graham to each manuscript will be used by BRRP to assure an accurate identification of the manuscript being discussed.*

Memento

It is with great sadness that we note the sudden death of Daniel Alexander Neval (30 May 1970 – 3 June 2005), a frequent contributor to these pages.
